Just a few Min. away, a couple of traditional Spanish restaurants can be explored to get a glimpse of the Mediterranean lifestyle.

The villa offers parking for a total of 2 cars, from where, steps lead us down toward a spacious terrace, more steps go down to the lower apartment and further steps lead us to the private swimming pool that forms the heart of the exterior, which is surrounded by sun beds together with an outdoor dining area and a BBQ, all encompassed by a vivid vegetation and a high degree of privacy.
