

Bed and Breakfast project under construction near the sea in Calpe

B&B project under construction near the sea in Calpe. With this project it is intended to carry out the construction of a new building for hotel use such as a Hostel or B&B. It would also be possible to build a luxury villa.

The construction is located just a few meters from the beach and close to bars, restaurants and supermarkets.

The urban services available to the plot are:

Potable water supply

Wastewater evacuation to the municipal sanitation / septic tank network.

Electric power supply

Telephony supply

Road access by public road

Do not hesitate to ask us for information about the project and prices to build a B&B or a luxury Villa.
