

Holiday rental of Finca with private pool overlooking the sea and the Peñon de Ifach

This traditional Finca offers a beautiful combination of a Mediterranean countryside location surrounded by wine and almond fields, and views that reach out all the way to the sea and the famous rock of Ifach by Calpe. Finca Alhambra enjoys a peaceful location on the outskirts of Calpe where only 10 Min. drive separate us from its city center and its charming beaches, where a large variety of restaurants, bars, and shops can be found right by the beachfront.

The Finca offers park space for 3 cars, from where we flow towards the spacious terrace surrounding the private swimming pool, an outdoor shower with WC, sunbeds, and an outdoor dining area with BBQ. To enhance the experience, even more, we get welcomed by an Arabic style fountain, all encompassed by a large variety of palm trees. The outside area will make it hard for you to leave this lovely spot.

The entire accommodation is on one level and offers a covered patio, which leads to a lounge, together with a cozy living/dining room with Sat+TV+DVD and a fully equipped fitted kitchen. We follow to find 2 twin bedrooms and 1 double bedroom sharing a full bathroom. All bedrooms are with A/C with cooling and heating options. Finally, we have a utility room with a washing machine. Finca Alhambra offers the perfect Mediterranean countryside holiday experience.
