

Construction project for a luxury, modern style villa in Moraira

Construction project for a luxury, modern style villa in Moraira (Costa Blanca, Alicante). Located in one of the best areas of Moraira, just 5 minutes from the centre and its beaches.

The villa will be built with top quality materials. It is distributed in:

Basement floor, which is distributed in a living room with a bar and games area, office, kitchen, guest toilet and bedroom with en-suite bathroom.

Ground floor, which consists of a modern kitchen with a central island and open to the living-dining room, a laundry room next to the kitchen, a guest toilet and a bedroom with en-suite bathroom.

From all the rooms on this floor there is direct access to the porch and pool area.

On the upper floor there are 3 bedrooms, all of them with en-suite bathrooms, and a living room. All the rooms on this floor have access to an outside terrace.

On this floor there is also a garage with capacity for 2 cars.

Outside there is a large terrace with a 10 x 4 swimming pool with wide views of the sea. There is also a toilet outside.

Among its key features we highlight:

- Exterior carpentry: windows and balcony doors in aluminium (folding and tilt-and-turn) in anthracite grey or
